

MENDOCINO-SONOMA COUNTIES EMERGENCY LSB HF NET LIST

March 23, 2010 - Time: 1930 PDT - FREQ: 3925 ± KHz --- Daytime 3925 ± KHz, or 7245 ± KHz
State OES Emergency freqs: 3960 &/or 7260 LSB

The list now shows those who have checked in at least once during the last 5 session. If the net frequency is busy, NCS will go **UP** the band to a clear spot. If anyone **wishes to be dropped** from this EMail distribution please reply to this EMail adding ' **DROP**' to the subject line. 73 Fred, W6WTI
